Are there any restrictions on cover?

- ! If the vet fee limit is reached during the policy year, no further treatment will be covered in that year.
- ! You must pay the excess towards claims for vet fees and any ongoing vet fee claims, once for each condition per policy year.
- ! You must pay a £250 excess for any property damage claim.
- ! Once your dog reaches the age of 8 or your cat reaches the age of 10, you'll have to start paying 20% of the vet fees every time you make a claim. This is known as a co-payment.
- ! To claim for dental illness your pet must have had a dental exam within a year before the illness. Any recommended treatment must have been carried out within seven months of the dental exam.
- ! If your pet has a condition which affects a body part that your pet has on each side of their body, this will be considered as one condition.
- ! You will need to notify the microchip company and your vet if your pet has been lost. If your pet is stolen you'll need to notify the microchip company and the police.
- ! We will not pay a reward to anyone you know personally for finding your lost pet.
